Average hide size: 16 sq. ft.  
Hide thickness: 1.2 to 1.4 mm

Aniline dyed suede cowhide.

Light water repellent finish, not stain resistant.

All hides will have variations in color, texture and sheen due to the finish and characteristics inherent to leather.

Leather is a natural product and dye lots will vary.

Leather not guaranteed against wear, fading or dye lot variation.  
CFA Recommended.

Note: 1 hide minimum.
